## Membership Terms and Conditions

1. I give my consent for the Oil Club Facilitator to contact qualifying Oil Suppliers on my behalf to obtain what is in their opinion the best rate in conjunction with delivery date.
2. I give permission for my details (name, address, email, mobile, telephone number etc.) to be given to the Oil Supplier chosen to supply oil for the purposes associated with the supply and delivery of oil.
3. I agree that once I have placed an order by e-mail, text, telephone, order form, through a 3<sup>rd</sup> party nominee, or any other method approved by the Facilitator it is binding.
4. I understand that the ability of the Club to operate effectively and reduce costs for its Members depends on orders for oil from Members being in close proximity – the defined catchment area for the Club.
5. I understand that the Facilitator will set and notify Members of the minimum quantity of oil that may be ordered (200 litres).
6. I understand that it is my responsibility to inform the Facilitator in writing of any change of address or contact details before any oil is ordered. Failure to do so mean the Oil Club or Facilitator cannot be held responsible for oil being sent to the wrong address and the Member would be liable for the payment to the oil supplier.
7. I agree that no responsibility is assumed by the Oil Club or Facilitator for any injury and/or damage to persons or property as a matter of products' liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas detailed in any literature or websites from the Oil Club, Facilitator, NIHE or partner suppliers or their agents.
8. I understand that when I want to order fuel, it is my own responsibility to ensure that my order is placed with the Facilitator before the deadline specified for the next month's order, and that neither the Facilitator nor anyone acting on behalf of the Oil Club will be held liable for any shortage of fuel or any other problem I experience if I fail to meet the specified deadline.
9. I will participate in satisfaction monitoring conducted periodically by NIHE.
10. I understand that the order is placed by the Facilitator and when placed with the chosen Supplier then the Facilitator disclaims any liability. Thereafter the contract for the supply of oil will solely be between the Supplier and myself. I agree that neither the Facilitator nor anyone acting on behalf of the Oil Club will be held liable for any claims that may arise between me and any of the selected Oil Suppliers who supply me and me for any supply contract that I may take out with them and the payment thereafter. This includes delivery, connection, access, billing and payments etc.
11. I agree to make payment to Oil Suppliers for order placed through the Club in advance or on delivery. I understand that the Oil Club or Facilitator will not negotiate any other terms on my behalf and I agree that neither the Oil Club, nor the Facilitator accept any responsibility for the settlement of individual accounts.
12. I agree that all payments of invoices must be made by me directly to the selected Oil Supplier and that I am responsible for ensuring I am aware of the payment terms. Should the Facilitator become aware of non-payment within Suppliers terms, I accept that my membership may be terminated.
13. I agree to be open and honest about my ability to pay before ordering and to contact the Facilitator immediately if any difficulties arise.
14. I agree to keep my oil tank in good condition and accept that oil companies have the right to refuse delivery if they consider my oil tank contravenes regulations relating to health and safety or to be a potential pollution hazard.
